

73rd Annual NJ Chamber of Commerce Walk to Washington & Congressional Dinner

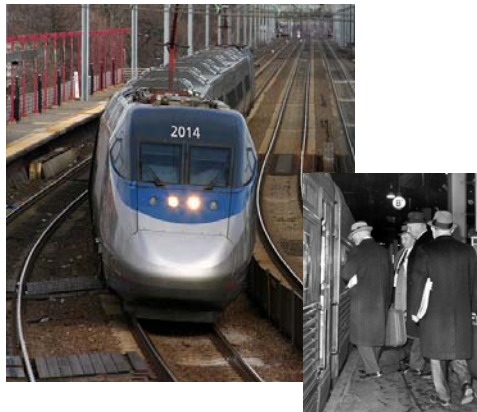

January 28 & 29, 2010
Chartered Amtrak Train
Marriott Wardman Park Hotel, Washington, DC

Make Connections . . . Build Your Business

Why is it Important for You to Attend? It's the People You'll Meet.

During these uncertain times, it is more important than ever to take to the rails and meet face-to-face with as many potential clients as possible. During the two-day State Chamber Walk to Washington you will meet the movers and shakers of New Jersey's business, association, civic, non-profit and political circles, enabling you to **leave Washington with plenty of business cards that would otherwise take months or years to collect.** Whether on the train, at our dinner or at many of the other events taking place at the Marriott, your time will be well spent as you build your contacts. Over the years, the trip has become the premier networking event in the state and is well worth the investment for anyone looking to increase their visibility – and expand their business.

Walk to Washington Train Ride

The tradition began in 1937 when several of the state's top business executives took a train to Washington to have dinner with New Jersey's congressional delegation – the rest is history. The Walk to Washington (it is called that because few sit on the train and literally walk the train the whole way to DC) begins when our chartered Amtrak train departs Newark and our other scheduled stops – Metro Park, New Brunswick, Trenton, Philadelphia and Wilmington – for the ride to Washington.

73rd Annual Congressional Dinner

Once in Washington, the event's 1,500 attendees converge on the Marriott Wardman Park Hotel for the annual Congressional Dinner. The action-packed evening begins at 6 p.m. with a cocktail reception and continues into the dinner hour at 7 p.m. when our formal program honoring the New Jersey Congressional delegation begins.

And Before You Return – Participate in the many related events provided by leading New Jersey businesses and organizations. Post-dinner hospitality suites and morning breakfasts are all part of the tradition. Our chartered Amtrak doesn't leave Union Station in Washington until late Friday morning and getting you home in time for dinner.
